

My name is Shari Gagnon, I live in the beautiful Annapolis Valley with my partner Chris.

I have been a member of the Ken Wo Golf Club since 2011. I had the privilege of serving on The Board of Directors for 5 years. I was active on both the HR and Policy review committees. I have had great experiences learning many aspects of a successful club, and volunteering for many events, but most notably the 2016 Canadian Women's amateur Championship. I have been playing golf for about 18 years and have participated in several Club Championships, local Invitational events, and a few the NSGA tournaments. My favorite part has been the many friendships I have made through this wonderful sport!

I have had a long 32-year career in the dental field including my current 18-year position as Business Manager for the Brace Space (Orthodontics) which keeps me busy with the continuous learning in this forever changing industry.

I am also an entrepreneur running a small business from my home with my partner.

I am honored to put my name forward as a candidate for a position on the Nova Scotia Golf Association's Board of Directors.

Kindest regards,

Shari Gagnon
