

For determining eligibility under Modifications for Players with Disabilities

Only players who hold an EDGA WR4GD Player Pass are eligible to use the modified rules under Rule 25 in a Golf Nova Scotia competition, with players who are eligible then using the modified Rules applicable to their category of disability. Eligibility decisions under Rule 25 are required only for players who have impairments that fall within one of the four categories of disability covered in the Rule:

- Player who is Blind or has a Visual Impairment
- Player who is an Amputee
- Player who uses an Assistive Mobility Device
- Player who has an Intellectual Disability

The EDGA WR4GD Player Pass and the EDGA Access Pass are administered and issued by the EDGA Eligibility Team and the application process for golfers to get an EDGA Pass is free of charge. More information can be found at:
www.edgagolf.com/online/pass/pass_info.php

In order to use the modified rules under Rule 25 in any Golf Nova Scotia competition, a player with an EDGA Access Pass must first submit a Rule 25 Request Form to Golf Nova Scotia. The Rule 25 Request Form must include details about the EDGA Access Pass held by the player and must be submitted to Golf Nova Scotia at least 30 days prior to the start of the competition. Golf Nova Scotia may require a player to be assessed by an EDGA Eligibility Assessor to confirm their eligibility to apply Rule 25 in a competition.

Such information should be submitted by email to Golf Nova Scotia to the attention of the Tournament Director:

Kaydem Al-Samawi
Tournament Director

Golf Nova Scotia will not evaluate requests without all required documentation having been submitted in its entirety as part of a single submission. **If Golf Nova Scotia has previously confirmed a player's eligibility to use the Modified Rules, then it may continue to accept a player's eligibility to use the modifications in Rule 25 without the need for an additional or ongoing review.**
